- As all background checks for current employees/volunteers were to be updated using the *Selection.com* process via VIRTUS Online, the majority of your employees/volunteers should be complete in VIRTUS Online.
- Employees and volunteers are required to attend a VIRTUS training session. If they have not previously done so and have been an employee/volunteer for at least 60-days, they need to complete before the end of this 2018/2019 audit year.
- If a person indicates that they attended a training session **and** are VIRTUS registered, the Local Safe Environment Coordinator(s) can verify in VIRTUS Online. For background check questions, please contact Kathy Lafakis (219-769-9292, ext. 292 or [klafakis@dcgary.org](mailto:klafakis@dcgary.org)).
- Make copies of all your submitted audit forms and keep on file for future reference.
