Keeping In Balance

Come along on a journey as we discover the relevance of Old and New Testament wisdom to our daily challenges. In this 22-lesson study, we'll explore the Bible, the Catechism, and the saints to learn how to manage life's pace and pressure while living with calm and steadiness. Your lifestyle of health and holiness awaits.

The program is free, but there is a required workbook that you need to purchase at www.walkingwithpurpose.com.

We will be meeting once a week (with holidays off) for 22 weeks.

Each week's study is a stand-alone section, so missing a week will not put you behind. Group size will be limited.
